

INTERNATIONAL TORNADO CLASS

The following amendments to the Class Rules have been approved to be effective 28 October 2016:

C.4.1 LIMITATIONS

Amend Rule to read:

- (a) *Advertising* shall only be displayed in accordance with ~~Category C~~ of the ~~ISAF~~ World Sailing Advertising Code.

C.10.2 MAINSAIL

Amend Rule to read:

(a) IDENTIFICATION

- (1) The Class insignia, national letters and sail numbers shall comply with the RRS Appendix G except where specified otherwise below and in Appendix D of these **class rules**.
- (2). The Class insignia, National Flag (when applicable) and Sail Letters and Numbers shall be placed in the following locations below the head point;

	8 batten mainsail	9 batten mainsail
Class Insignia	3 rd panel	4 th panel
National Flag	4 th panel	5 th panel
Sail Numbers & Letters	5 th panel	6 th panel

This amends RRS Appendix G1.3

- (3) The Class insignia specified in Class Rule Appendix D shall be placed back to back with the ‘tail’ aft and a minimum of 60mm below the batten pocket. This amends RRS Appendix G1.3(b).
- (4) The national letters and numbers which are on the same side of the sail shall be placed on the same line, a minimum of 60mm below the batten pocket, and a minimum of 60mm from the leech. This amends RRS Appendix G1.3(c).

- (c) USE...renumbered from (b)

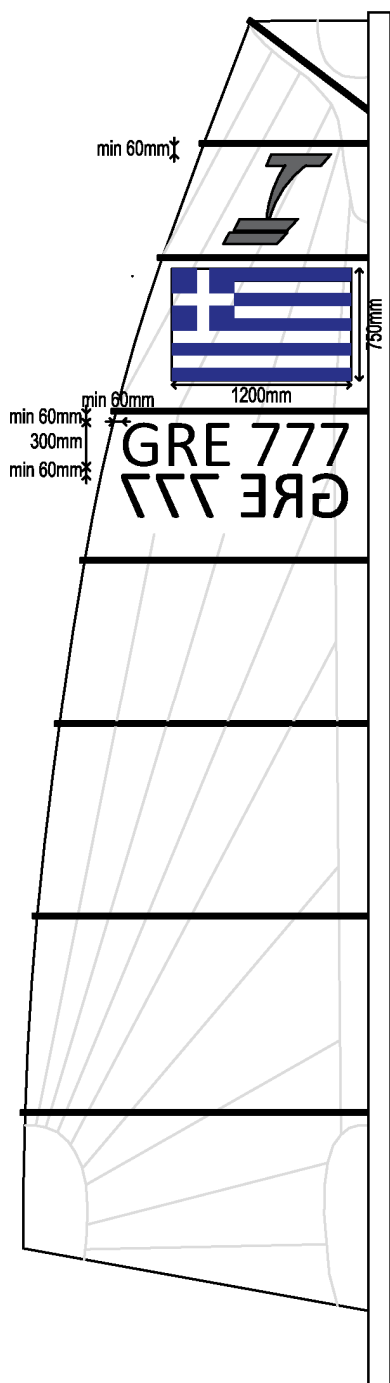

(b) NATIONAL FLAGS

- (i) At the International Tornado Class World Championship and Continental Championships the national flag corresponding to the national letters shall be placed on the starboard side of the mainsail on the panel specified in C.10.3(a)(ii). The national flag is optional at all other events. The flag shall be nominally 1200mm wide x 750mm high, positioned approximately central on the panel

INTERNATIONAL TORNADO CLASS
